Cancellation and Settlement Policy:

Elite Welding Academy agrees to accept cancellations and make refunds according to the following: An enrollment agreement may be canceled within five (5) calendar days after the date of signing. The school shall promptly fully refund all tuition and fees paid according to the enrollment agreement. Such refund shall be made no later than forty-five (45) days after cancellation. All monies paid by an applicant will be refunded if the applicant is rejected by the school or the school cancels the program's scheduled start date. A student is considered a No-Start if they do not show up for the class on their start date. A no-start incurs no charges except the registration fee paid.

EWA uses our accreditor's refund policy to determine any refunds/debt to Elite after a withdrawal.

For all Title IV recipients, the R2T4 calculation must be done first to determine aid that has been earned, see R2T4 policy in the school catalog.

ACCET Refund Policy:

1. Elite Welding Academy may retain an administrative fee associated with withdrawal or termination not to exceed \$100.
2. During the first week of classes, tuition charges will not exceed 10% of the stated tuition or a maximum of \$1000.00. When determining the number of weeks completed by the student, the institution will consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.
3. After the first week and through fifty percent of the period of financial obligation (term), tuition charges retained will not exceed a pro-rata (%) portion of tuition for the training period (term) completed, plus 10% of the unearned tuition for the period of training that was not completed. (example below)
4. After fifty percent (50%) of the period of financial obligation (term) is completed, the institution may retain the full tuition.

ACCET Refund Computation Sample:

Session 2 is 7 weeks of training. Session 2 starts on May 19th and ends on July 1st. **Tuition is \$3067 per Session.**

The last date of attendance is June 2th. The student is obligated for 3 weeks of attendance for that Session.

The percentage of tuition retained by the school is based on the portion of the program the student was attending when the student dropped or was dismissed. Number of weeks student attended = 3 weeks of a Session

Number of weeks student is financial obligated = 7 weeks

Pro-Rata portion completed based on 7 weeks = $3/7$ = 42.9%

42.9% X \$3067 tuition = \$1751.26

10% X \$1751.26 (unearned tuition) = \$ 175.13

Owed to Elite Welding Academy = \$1490.87

Refunded to student by July 3rd = \$1576.13
